

IMPORTANT ZIPPER INSTRUCTIONS FOR RACE SUITS

International Karting Distributors

Racedeal.com

THANK YOU for purchasing your new race suit with IKD!

IMPORTANT NOTE:

To make sure you do not damage the zipper:

Unzip it all the way to the bottom before peeling the suit on or off your shoulders

The teeth of the zipper can easily be damaged by the force of peeling the suit on or off if it is not unzipped all the way down.

WARRANTY:

Please be advised that damage to the zipper in the form of bent or missing teeth is as a result of improper handling and is not covered by any form of warranty!

Our IKD Team is happy to assist you if you have any further questions!
